

진경민

Kyung-Min Jin

km_jin@korea.ac.kr

Skills

Python, JavaScript, and Computer vision

Education

Korea University / Master's Degree

Aug 2021 - Present, Seoul

- Artificial Intelligence

GPA: 4.50 / 4.50

Korea University / Bachelor's Degree

Mar 2019 - Aug 2021, Seoul

- Computer Science & Engineering
- Artificial Intelligence

GPA: 3.99 / 4.50, GPA of Computer Science & Engineering: 4.02 / 4.50

Awards

Awarded Grand Prize in 2021 Miso Artificial Intelligence Model Development Challenge - Infant Behavior Video Data

Awarded Korea University 2020 smart campus dataton

Academic Experience

Voicecaddie / Projects

Jul 2020 - Feb 2021, Seoul

Golf pose estimation model, annotation tool - Pytorch, OpenCV

Industrial Experience

Deer Corporation / Frontend Developer

Jul 2020 - Feb 2021, Seoul

React, Typescript, Next.js, and React Native

Extra Experience

Klue / Frontend Developer

Jul 2019 - Present, Seoul

React, Typescript, and mobx
